The Urbandale High School Concert Band, under the direction of Mr. Richard Boyer, has increased in size, and because of this, new band uniforms were purchased last fall. The whole community , as well as the music students, think them most attractive. The music is increasing in difficulty, but judging from concerts and contest results, the band has been playing it well!

KINDERGARTEN THROUGH TWELFTH

It is always interesting to see how many seniors have been together twelve long years and how many of them struggled up the ladder of knowledge to the present year, 1960.

On this page we have placed these particular students. Below, are the fifth graders and above are the seniors. You can readily tell by their expressions which group knows graduation is finally a reality ...

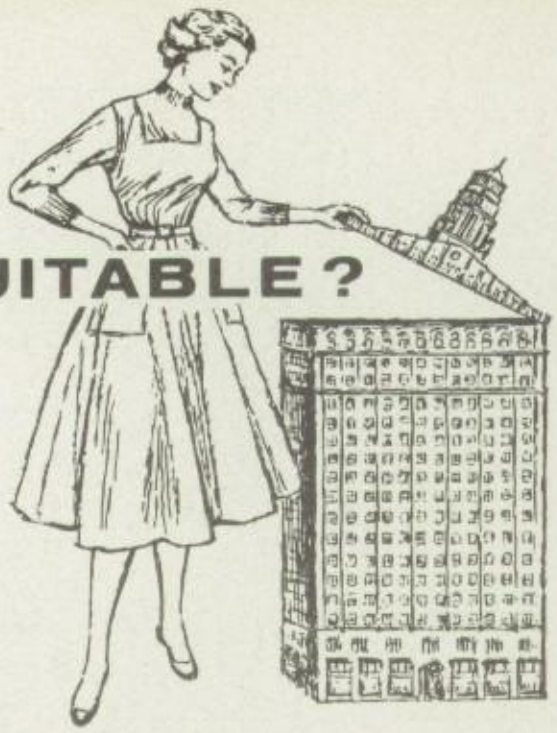
WHY DON'T YOU LOOK INTO THE EQUITABLE?



When you're starting out in business you want to affiliate yourself with a good sound company and one that has the interest of its employees at heart. Here at the Equitable Life of Iowa you work in pleasant surroundings among congenial people — all friendly and helpful. Then too, there are so many things done to build up the right mental attitude and to keep morale high. Twice a day for instance, a coffee cart visits each floor of the building with hot and cold beverages and pastries. There are regular paid vacations, salary increases and all kinds of opportunities for advancement in your position with the company. Also there is a complete medical service room with an attendant nurse for little ills and discomforts and a generous sick leave plan, too. Why don't you look into the Equitable — ask for Miss Bush at the Personnel Office, 1317 Equitable Building, and discuss the opportunities that exist for you.
